

# ISUZU Workshop Manuals

## – Body Repair Manual

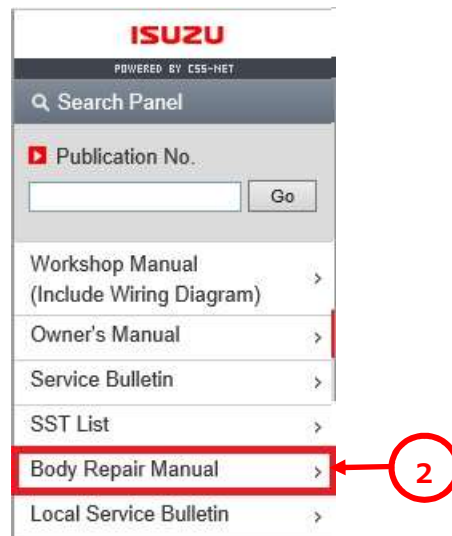

### DESCRIPTION

To gain access to the ISUZU Workshop Manual (Body Repair Manual), please refer to the following information and images.

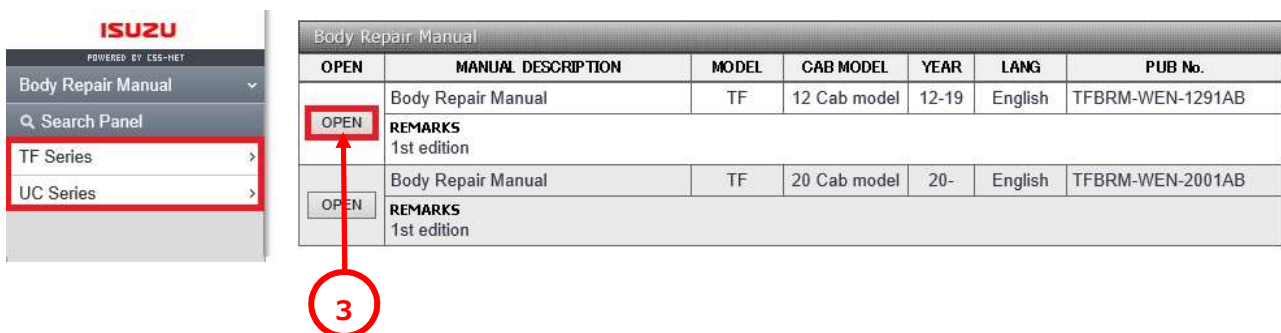

1. Open up the ISUZU CSS-Net, via the AASRA link.

2. Click on the 'Body Repair Manual' box, and this will open a body repair manual.

3. Once Body Repair manual is open, you will see a list referring to TF(D-MAX) or UC(MU-X) Series. From here, click on the 'OPEN' button.

4. From here you will have access to Body repair information and processes for your selected vehicle.

The screenshot displays a digital manual interface. On the left, a 'TABLE OF CONTENTS' sidebar is visible, listing various sections of the manual. A red circle with the number '4' highlights the '5 Body Repair Description' entry. The main content area on the right shows the title page for the '2020MY - ISUZU D-MAX BODY REPAIR MANUAL'. The ISUZU logo is at the top right, and the page number '1 / 359' is at the top left. Navigation icons for search and close are in the top right corner, and left and right arrows are on the sides of the main content area.
