

1.

Click here to access the car brands

Choose the brand from this list (alphabetical)

Automaker Information Links

NOTE: BMW, Jaguar, Land Rover, Mercedes & Volvo are not allowing access to any information without an EV Certificate. Click the brand to go to their website.

Brands marks NPB do not participate in AASRA. Any requests including Security should be directed via their website. As the Scheme Adviser AASRA provides current subscription information and links to resources for each brand. AASRA does manage complaints for non-participating brands. If after contacting the brand's support you are unable to resolve your issue file a Missing Information Report on the AASRA home page.

2.

Below are subscription fees and links to info for each brand. If you find that this pricing details.

Listed will be the prices for access subscriptions

Service Information Access Fee	
Daily	A\$20+
Weekly	A\$65+
Monthly	A\$390+
Yearly	A\$3380+

3.

Click here, you will be sent to the manufacturers log in/sign up page

* You will be required to create an account with the manufacturer, with most requesting the use of your AASRA log in details. You may also be prompted to enter a 1 TIME CODE - this is your Authy code.

** AASRA endeavors to provide optimal customer service, however once you are on the manufacturers external website, there is little we can do to assist on our side. Please contact us if you have any issues, and we may be able to resolve them. Alternatively, click SUPPORT LINK on the manufacturers AASRA page.
