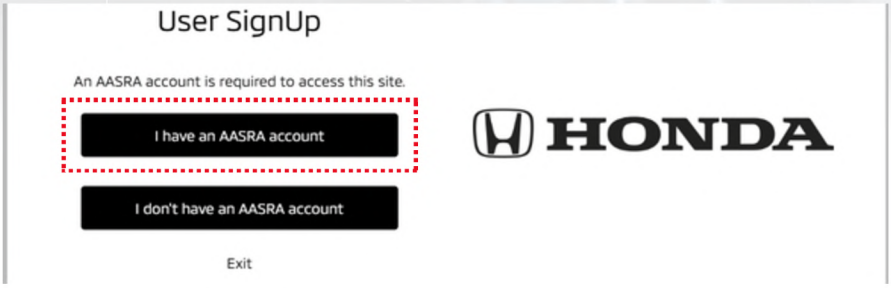
## How to register with Honda

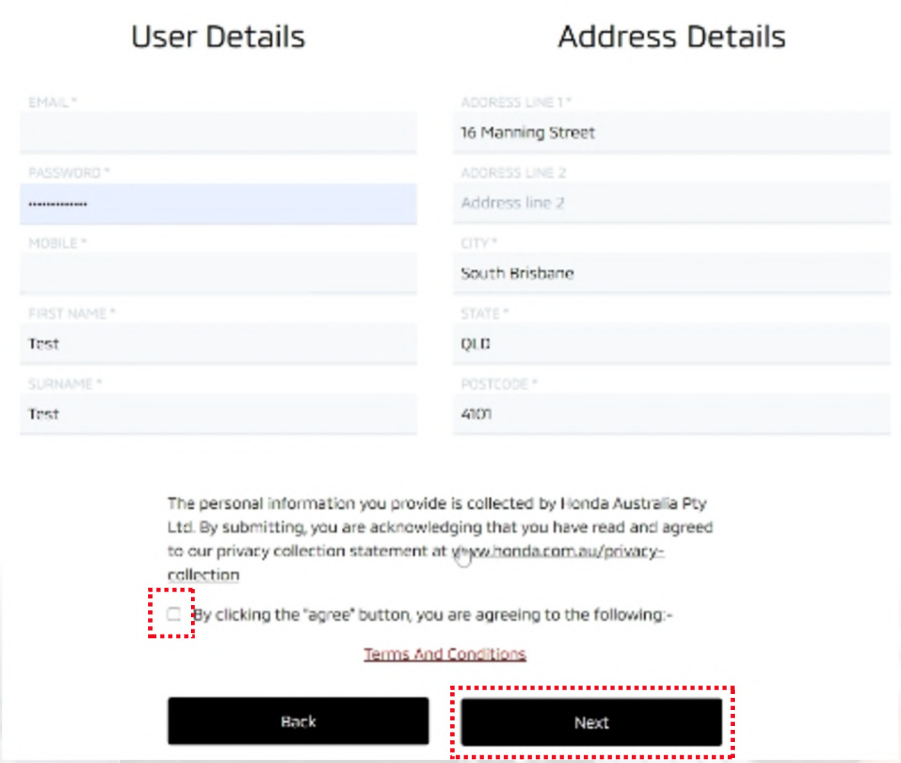
On the Honda website, click on SIGN UP and click I HAVE AN AASRA ACCOUNT.



Enter in your AASRA credentials and click AUTHENTICATE AASRA.

Enter in your user details, which include the password and phone number used for your AASRA account.

Click the agree button and press NEXT.



A one time pin text message will be sent to the phone number entered in the previous step.

Enter this pin and press VERIFY ONE TIME PIN (OTP).

Enter in the business details, remembering to use the same details as your AASRA account.

Press SUBSCRIBE.

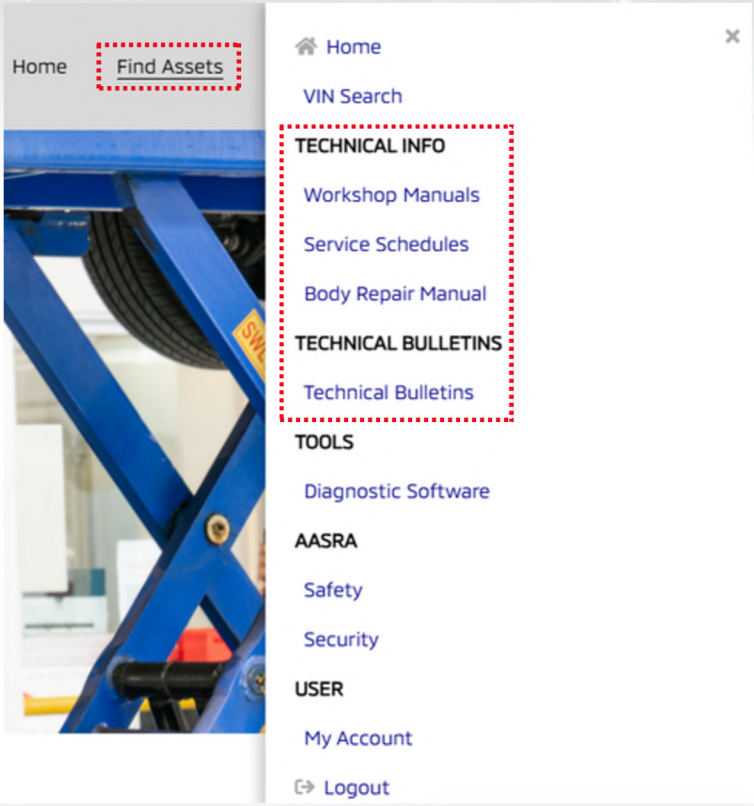
## How to access service and repair procedures

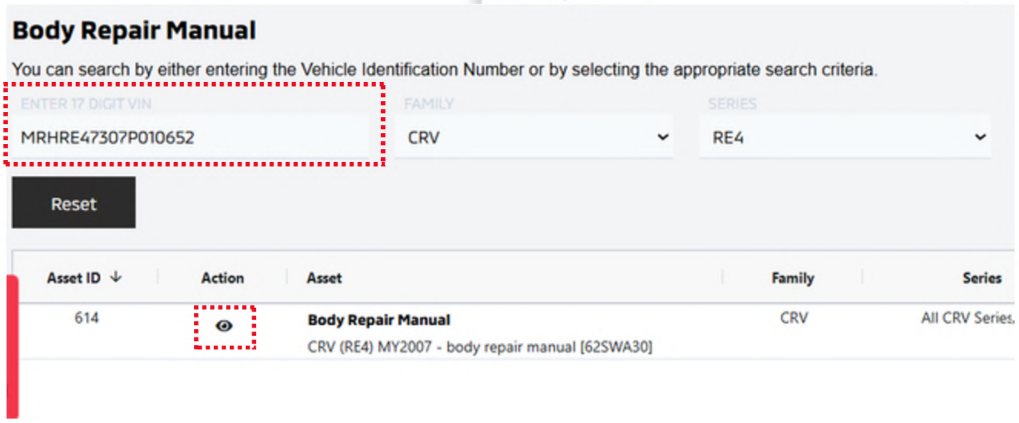
Once logged in, click on FIND ASSETS.

Select the type of technical information you require, such as body repair manual.

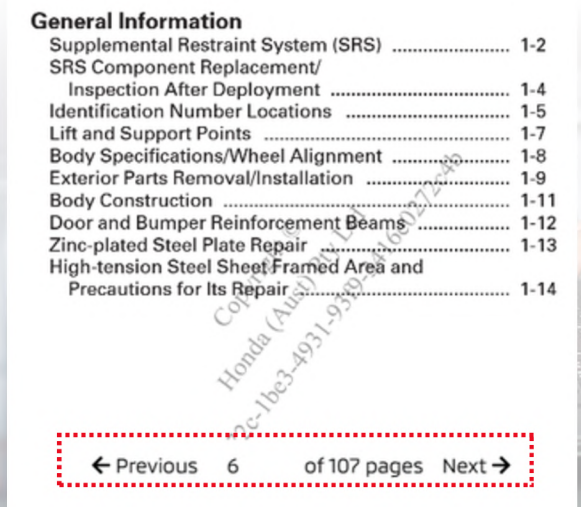


Enter the vehicles VIN number in order to retrieve the procedures relating to this vehicle

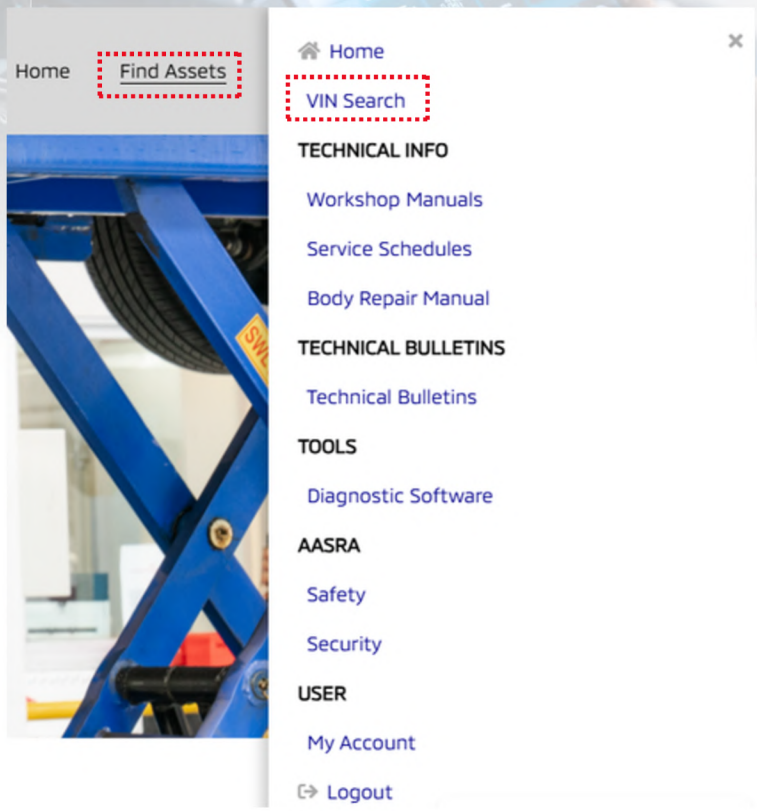
Click on the eye icon to open the procedure booklet.

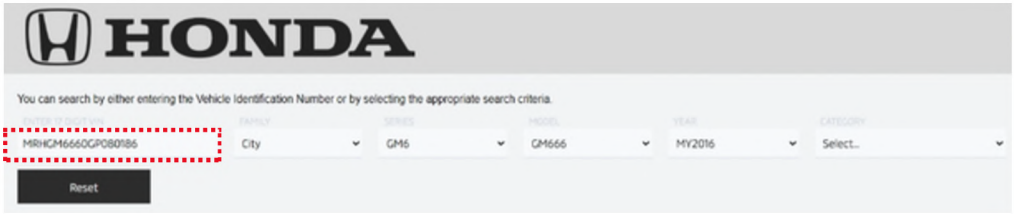


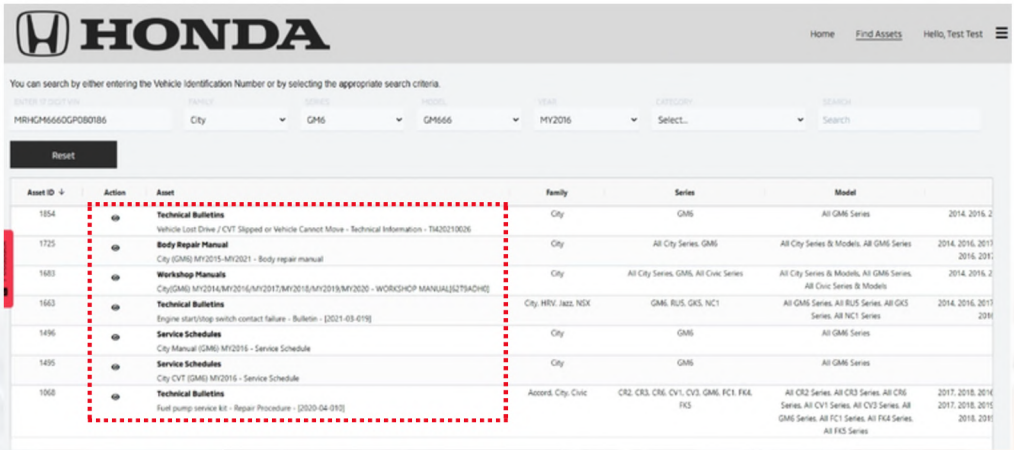
Use the next button to scroll through the pages, or type in the page number to automatically be directed there.

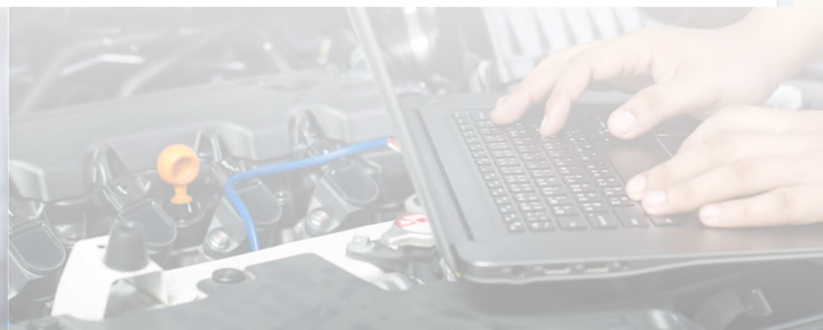


Alternatively, click on find assets and select VIN search.









Enter the vehicles VIN and all relating manuals will appear, such as technical bulletins, workshop manuals and service schedules.
