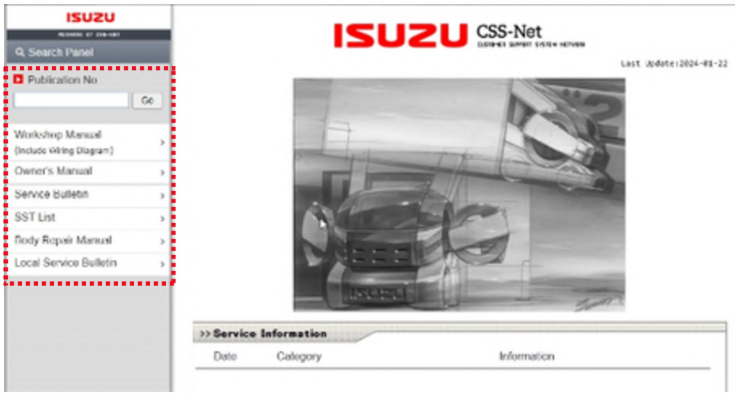
How to access service and repair procedures

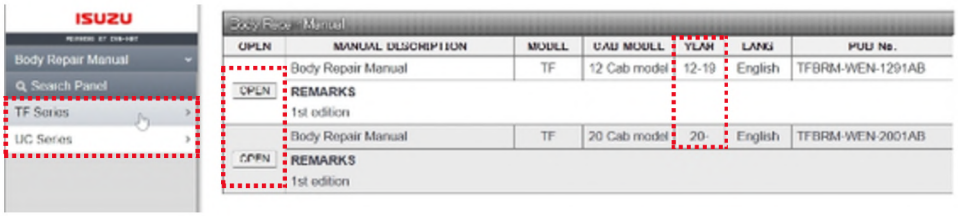
Once you click the portal link in your email, enter your user ID and password and press LOGIN.

On the left hand side menu, click the type of procedure you require.



Select the series of Isuzu vehicle you require.

Click OPEN on the procedure you require, paying attention to the year of the vehicle.



Search for the procedure you require by looking at the table of contents within the manual or by selecting the section using the menu on the left hand side.

Alternatively, click on the search icon on the right hand side and search using key words.
