## How to register with Genesis

Read and agree to the End User License Agreement.

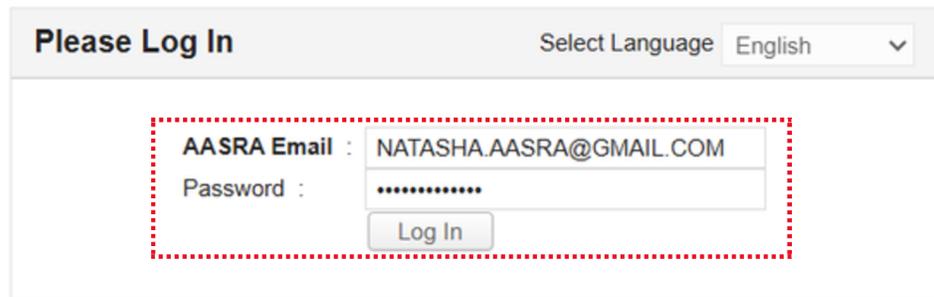

The screenshot shows the 'End User Licence Agreement' page. The page title is 'End User Licence Agreement' with a sub-header 'Last updated: 18 June 2025'. It contains two sections: '1. Introduction' and '2. Account'. The 'Introduction' section includes three points: (a) The Platform is provided by Hyundai Motor Company Australia Pty Limited (ABN 58 008 995 588) (we, us or our), (b) This EULA governs your use of the Platform and the Scheme Information accessed on or via this Platform, and (c) By creating an account on the Platform (Account) and requesting Scheme Information, you agree to comply with this EULA. The 'Account' section includes two points: (a) You acknowledge and agree that you are authorised by an Australian Repairer or Scheme RTO to request Scheme Information on behalf of the Australian Repairer or Scheme RTO, and (b) You must not permit another person to use your Account, except to the extent expressly specified in this EULA. At the bottom of the agreement, there is a checkbox labeled 'I have read and agree to the above.' which is checked, and a 'Log In' button.

Genesis utilizes your AASRA credentials to log in to their system.

You do not need to create an account with Genesis.

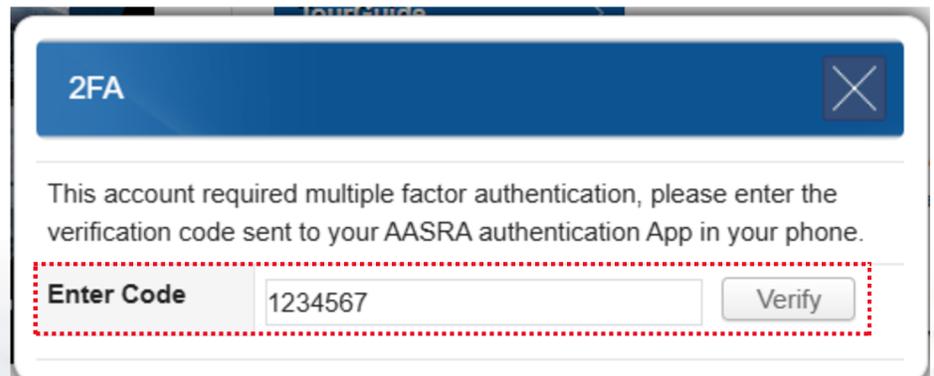

Please enter your AASRA email address and password, and press LOG IN.

The screenshot shows the 'Please Log In' page. The page has a header 'Please Log In' and a language selection dropdown set to 'English'. Below the header, there are two input fields: 'AASRA Email' with the value 'NATASHA.AASRA@GMAIL.COM' and 'Password' with a masked password '\*\*\*\*\*'. A 'Log In' button is located below the password field. The entire login form area is highlighted with a red dashed border.

Once entered, you will be required to enter in your 2FA code - this is the same 2FA Authy app used to log in to your AASRA account.

Press SUBMIT.

The screenshot shows the '2FA' verification page. The page has a blue header with the text '2FA' and a close button. Below the header, there is a message: 'This account required multiple factor authentication, please enter the verification code sent to your AASRA authentication App in your phone.' Below the message, there is an input field labeled 'Enter Code' with the value '1234567' and a 'Verify' button. The entire verification form area is highlighted with a red dashed border.
